HANDS UP

Dear STC,

If all of the goodies wear white gloves why do Doctor Zachary and Super Sonic wear them too?

**Janie Jones,
Pontefract, Wales.**

Enamel Badge Prize Winner.

Don't you see Janie it's
if not all them wearing them
to make you think they are
the good guys

MEGADROID

Dear Megadroid,

If I lived in England I'd protest
about how the STC hinders treat you. After
all if it wasn't for you, the hinders would
not be able to design it I am

GIRL TALK

Dear Megadroid,

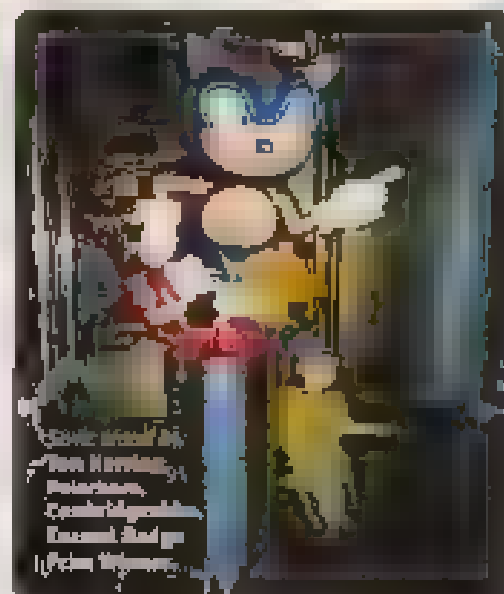

Love the Computer Crew they are
an astir they have skill strength and
sense. But I have to complain about
Explo she's rude and pigheaded.
Someone please tell her to come to her
senses and get a life! Also what exactly
are her powers? Since she's a chameleon,
she ought to change her colours. Dark in
STC is she turned invisible. Besides
from that the Computer Crew should have
their own series they just got stucked in
with Knux as his scenery and also let
somebody join the team. It's a boy let
him have good looks and strength like
Mighty or if it's a girl, don't let her be like
Explo.

**Leanne Reason,
East Finchley, London.**
Enamel Badge Prize Winner.

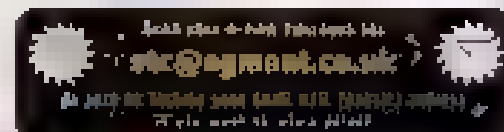

Chicks Crew are awesome,
dark in STC. You know a cool
super fun PS Explo is a
boy

Dear Megadroid,

I'm writing this letter because
Dor or Robotnik seems to be the only
villain in STC. I respect your artwork and
stuff but it would be more exciting if you
had more villains on Mat us. Here's my
suggestion. Black Jack the toy maker with
the various toys
